

WEBSITE LAUNCH

After a soft launch, www.afribcd.org was officially launched in August.

SOCIAL MEDIA

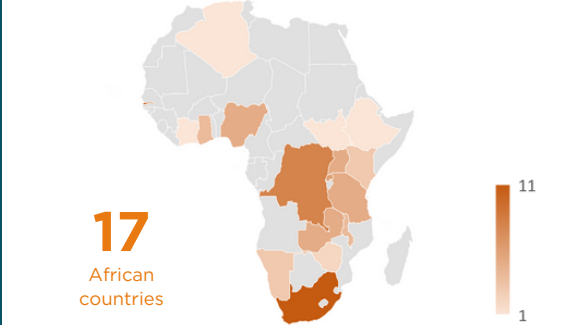

AfriBCD has X (Twitter) and LinkedIn accounts:
 • X [@AfriBCD_Network](https://twitter.com/AfriBCD_Network) (35 posts ; 104 followers)

MEMBERS

131 people in our network **40** member profiles on website
 Members are currently based in **22** countries.

Members are currently conducting research in these African countries:

AfriBCD is a network aimed at bringing together researchers and partners who are interested in neurocognition across the lifespan in Africa. Our ethos is inclusivity; we have cast a wide net to bring together researchers who examine different life stages, using diverse methods.
